About the usage of Cookies

- Collect information about visitors and their browsing device
- Note the custom settings for visitors that may be used (e.g. when using online transactions, so you do not have to type all the information again)
- Facilitate the use of the website;
- Provide a quality user experience.

For a tailor-made service, the user's computer has a small data packet, places a cookie and can read it at a later date. If your browser returns a previously saved cookie, the cookie operator can link the user's current visit with the last visit, but only for their own content.

Essentially, session cookies are required

These cookies are designed to enable visitors to browse <https://oanaratiu.com> in full and smooth, to use its features and the services available there. The duration of this type of cookie expires by the time the session (browsing) ends, and by closing the browser, this type of cookies is automatically deleted from the computer or other device used for browsing.

Third party cookies (analytics)

<https://oanaratiu.com> applies Google Analytics as a third-party cookie. Using Google Analytics for statistical purposes, <https://oanaratiu.com> collects information about how visitors use web pages. The data is used to improve the site's development and user experience. These cookies will remain on the browser, on the computer or on other types of browser, until the visitor cancels them or until they expire.
